Dear Mr. Jackson:

On behalf of the Board of Directors for the Tennessee Safety and Health Congress, I would like to thank you for presenting a workshop at the 2009 Safety and Health Congress. Your support, and the support of others, has contributed significantly to the success of the Congress for 32 years.

We strive to offer a program each year that has topics that our delegates can use to promote safety in their workplaces. We look forward to the continued support of the Congress we receive from you and your company and hope we can count on you when we are putting together programs for future Congresses.

I am enclosing your evaluation results. We hope you find this beneficial.

Sincerely,

John Winkler  
Co-Chairman
