Dear Bill,

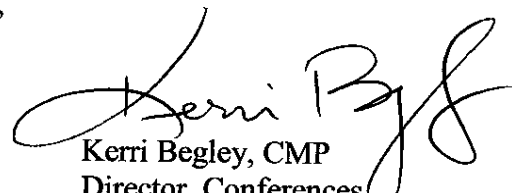

Thank you for your participation as a presenter at our **2007 Indiana Safety and Health Conference & Expo**. Indiana certainly received its share of snow and freezing rain. Despite the conditions, we had a terrific turn out! The conference was a huge success due in large part to the outstanding and timely presentations. It was a pleasure to work with you, and we certainly appreciate all of your efforts to join us for the conference and provide a high quality presentation.

Your evaluation summary results are enclosed. If you have any questions regarding this information, please contact Mark Gabinet at (765) 932-7224 or via email at [mgabinet@trane.com](mailto:mgabinet@trane.com).

Thank you, again, for your support of this conference!

Sincerely,
